

Acquisitions—Claims

**Enhancement#:** 4321 (06/06/2005)

**Category:** Horizon > Acquisitions

**Subcategory:** Claims

**Software Version/Release:** Horizon 7.3.f CJK

**Subject:** Add the Column `Number` and `Received` to the View

`ACQ\_CLIAMS\_REVIEW`

**Proposal:** Add the column `number` and `received` to the view `acq\_cliams\_review`. Currently, the two columns are generated by client dymatically, so that we can't add them to the view manually.

**Enhancement#:** 4663 (02/07/2007)

**Category:** Horizon > Acquisitions

**Subcategory:** Claims

**Software Version/Release:** Horizon 7.4.3

**Subject:** Different Claim Parameters Per Title

**Proposal:** We have many vendors that supply both firm and standing orders. Since many standing orders come out annually, it would be nice to be able to set some titles to have claim parameters at 365 days without having to create two separate vendor codes.

**Enhancement#:** 4684 (07/06/2007)

**Category:** Horizon > Acquisitions

**Subcategory:** Claims

**Software Version/Release:** Horizon 7.3.4

**Subject:** Printing Claim Letters

**Proposal:** There should be an option to print claim letters in a batch rather than going into each PO and printing the claim letter one by one.
